MEMORANDUM FOR: RECIPIENTS OF THE WEEKLY REPORT ON THE
SITUATION IN SOUTH VIETNAM

The Weekly Report on the Situation in South Vietnam will not be published this week. The pace of events in Vietnam since our last report has been such that little purpose would be served by their recapitulation, particularly since to do so would be at the expense of current analysis and reporting. Recipients are referred instead to their own departmental situation reports and to the publications of the Office of Current Intelligence, Central Intelligence Agency.

Unless otherwise notified, recipients may expect a regular issue of the Weekly Report on Thursday 18 February, in which the events of the preceding two-week period will be reviewed.
